

## Princeton Community Middle School

Dear Parents and Guardians,

We're excited to tell you about an upcoming event. On May 15th, author Laura Martin will visit our school to speak to all students. Ms. Martin is an Indiana author who recently published *Edge of Extinction #1: The Ark Plan* and *Edge of Extinction#2: Code Name Flood*, a middle grade series. Ms. Martin taught seventh grade language arts in Carmel, Indiana for six years before taking a break to be a writer and mom. She is an enthusiastic speaker who excites students about reading and writing with high-energy presentations about the writing craft.

If your student would like to purchase a copy of either of her books, we have arranged Barnes and Noble to sell them the day of the event and Ms. Martin will autograph copies of her book. Payment by cash or check accepted. Please make check payable to PCMS. If we run out of either book, students can order them and they will be in later next week.
